

Center Creek Cemetery:

Thos About 19 Otis Sweat & Albert Giles (Hazel) ^{Curtis Muir} put up a fence around the area of Center Creek Cemetery, after they convinced W. Rex Lindsay not to plow it up.

On 17 Aug 1985 members of the Mountain Valley Chapter of Sons of Utah Pioneers met at home of Otis Sweat.

We asked his permission to go onto his ground to get to this cemetery. He granted permission.

We took our tools to the cemetery and began to crimp the wire and straighten the corner posts and gate posts.

Men present were: Ray Peterson, Melvin Carlile, John Carlile & R. Raymond Green
